Our **VISION** at the Rio Grande Educational Collaborative (RGECC) is to dedicate our organization to preparing children, family and community for life-long success.

The **MISSION** of the RGECC is to leverage resources and opportunities to create a continuum of services to support the social and academic dreams of children, their families and their communities. We provide pathways to success through the development, application and management of services - primarily before and after school programs and tutoring - to children from all walks of life.

About Our Partners

Golden Apple

Foundation of New Mexico

The Golden Apple Foundation of New Mexico (Golden Apple) is a 501(c)3 nonprofit organization established in 1994 with a mission for recognizing excellent teachers and improving the quality of teaching.

Each year Golden Apple recognizes seven teachers from around NM with the Golden Apple Award for Excellence in Teaching.

The Award winners - Golden Apple Fellows - give back to the profession. One significant way they give back is through teaching and mentoring aspiring teachers in the Golden Apple Scholars Program.

The Scholars Program provides an annual summer training to college students preparing to become teachers in NM schools. The Scholars Program also provides mentoring and continuing professional development once the Scholars begin their teaching careers.

This Summer we are fortunate enough to have one (1) Fellow and two (2) Scholars at each of our Summer Programs, which will allow your students to work with the best Teachers and up-and-coming Teachers in NM.

Moriarty/Edgewood School District

We have partnered with Moriarty/Edgewood School District and Edgewood Elementary to provide you and your children with an Educational, Fun and Affordable alternative to recreational programs and/or babysitting.
